We are pleased to announce that the Green Restaurant Association has awarded us their 4-star rating! We put a lot of work into this and are proud to be the first restaurant in Wisconsin to receive this rating.

For more information on the steps we've taken to earn this rating, please go to dinegreen.com and search for pizzerias in Wisconsin!

...or you can just scan this code with your phone if you're into that.

Special Dietary Notes:

All of our pizzas can be ordered on a gluten-free crust, however we operate in a kitchen that uses a lot of flour.

If you have a gluten allergy, please let us know so we can take extra precautions. Our garlic white sauce, porcini mushroom sauce (boom-boom) and au jus contain wheat flour and our regular fries are not gluten-free.

Gluten-free fries are available (and delicious!), but they are cooked in the same oil as our regular fries.

Our red pizza sauce is vegan.

Although our burgers can be made with a restaurant-sized Boca patty instead of beef, please note that this option does not change the other toppings on the burger (i.e. - ham, bacon, etc.). If you are vegetarian, please take this into consideration when ordering.

Thanks for stopping in!

We hope you enjoy your visit and come back to see us again soon!
